RECALL
PLEASE DON'T HESITATE TO ASK ME IF YOU NEED ANY HELP.
WELL, I THINK I CAN FIGURE SOMETHING OUT ONCE I READ IT UP AT HOME.
MY MATH IS PRETTY GOOD AFTER ALL...

OH, HE LOOKS QUITE LOST. I'M WORRIED THAT HE CAN'T KEEP UP WITH OUR CLASS'S PACE. I BET HE'LL COME ASKING FOR HELP ANY TIME NOW.
WHAT'S THE TEACHER TALKING ABOUT...?

HE DIDN'T ASK ME ANYTHING! SCHOOL'S ALREADY OVER!
YO! WHERE ARE YOU HEADING? WANNA GO FOR ANOTHER GAME?
DON'T FOLLOW ME!

You look like you're having trouble keeping up in math class.
I wasn't, you're overthinking it.
Wait, was she looking at me the whole time?
You were dazed the whole time during class!

Tsk, didn't I say you could ask me for help anytime?
What if you can't keep up and affect the average score of the class? Our class prides ourselves in our math!
Then again, don't misunderstand ...
Annoyed
Even though it's rather troublesome for me, I don't want to see you drag this problem out.
